Resident Spotlight - Carl Hutchison "Hutch"

Carl Bruce Hutchison "Hutch" was born in Sallis, Mississippi, on January 25th, 1935. He was one of six boys raised by Shuler and Alice Hutchison in this rural community. They were a farming family, raising cotton and other crops to make ends meet. After graduating from McAdams high school in 1953, he went to nearby Holmes Junior College on an athletic scholarship where he played football. He met Bobbie Perkins there and after earning his Associates Degree in Industrial Arts came to Dallas, Texas, in 1955, where they were married. They had one son, Mike, in 1957. In 1960, Hutch went to work for Otis Engineering, a division of Halliburton, for 33 years as a machinist and supervisor. During this time he taught Machine shop at RL Turner high school in Carrollton from '68-'73 while still working part-time at Otis. In 1973, he married Judy, his wife of 45 years before she passed in May 2018. Hutch and Judy enjoyed many years traveling, enjoying life. He was an avid bowler and golfer in his younger days, even able to play golf in Scotland and England. He has enjoyed his time here since he came to Parsons House in April 2018 and is grateful to the caregivers and friends he has made.

An Irish Wish

"May your thoughts be as glad as the shamrocks. May your heart be as light as a song. May each day bring you bright, happy hours that stay with you all the year long." —Irish saying
