Letter From the Administrator

They say that March comes in like a Lion and goes out like a lamb. The reason behind that is because we begin with winter weather and then spring hits and it's much nicer. We will have Daylight Saving on the 8th so you will lose an hour of sleep. Don't forget St. Patrick's Day. Wear your favorite Leprechaun outfit and you may win a prize. March is also well known for Brackets which is all about Basketball. The name of March comes from Martius, the first month of the earliest Roman calendar. It was named after Mars, the Roman god of war, and an ancestor of the Roman people through his sons Romulus and Remus.

We will be hosting a Spaghetti Dinner Fundraiser Event on the 26th at 4:00 pm. Michael Nugent will be here to perform for us. Guests will be able to purchase tickets for \$10.00. All proceeds benefit Boulder City Emergency Aid. Everyone is invited to attend. Hope to see you here.

March 2020

Craft Day With the Library

We are so LUCKY to have great community partners, especially Boulder City Library. Every month they come to our community and bring a new supply of wonderful books for our residents who love to read! Joan from the library came with a fun craft to do with our residents. It is so wonderful to have such amazing support from our community partners. Be sure to check out the new Library books 1st Friday of the month.
