Happy April!

Happy April everyone! I appreciate everyone's corporation and understanding while we navigated through March and the concerns with COVID-19. We always want to keep our elders and staff safe and healthy.

That said it is always encouraged that if you have any symptoms or are feeling under the weather that you do not visit the community until you are completely well. Our staff is more than happy to coordinate other means of communication with your loved ones.

We will keep everyone updated on family nights and community functions. Thank you for continued support and we are looking forward to a healthy, fun filled month.

As always you may reach out with any questions or concerns.

Thank you Ashley Gonzalez Administrator.
