Spring is on the way everyone!!! I want to thank everyone 's cooperation during this difficult time with the corona virus. I know things are harder with the restrictions but, we have to all remember that we will get through this. Rachel will be offering some different activities in small groups right now to beat the corona blues! We will be having Wii games and tournaments set up for residents. We will also be offering a staff and resident Karaoke depending on who is interested. Remember to smile and that we are doing everything to keep you safe and sound. If anyone has any questions about this ever changing situation please come and talk to me. I wish everyone a blessed Easter and a time for new beginnings. Remember bondage and liberation are of the mind alone. Have a great month everyone!

*Blessings,
Andrew Steighner*

Resident of the Month:

Boykie & Cheri B

How long have you two been married?

"We've been married for about four years, our anniversary is on July 6th."

When did you two move to Moran Vista?

"We recently just moved to the area, we are from Chester Montana."

What do you like the most about living at Moran Vista?

"We love how friendly everyone is, we really enjoy the friendships were making."

What did you do before retiring?

Boykie was a meat cutter, he called himself a professional because he still has all his fingers.

Cheri spent most of her time being a stay at home mom. She also mentioned she helped with feeding school kids as well.

What is your favorite food?

Boykie made it very clear, he loves his plain food. Boykie is a meat and potato fan.

Cheri said she loves her pickles. When she was raving about pickles, Boykie was sitting next to her making funny faces!

*Thank you
for all the Laughs!*
