- We will have only one (1) manager in each facility office at a time.
- Only one (1) customer is permitted in each facility office at a time.
- We have taped off safe social distancing areas inside of each facility office. Our employees will maintain the recommended 6-foot safe social distance at all times.

- We strongly urge all of our customers to make their rental payments in one of the following ways: (i) on-line at www.ctselfstor.com , or (ii) over the phone by calling the office and using our automated system, or (iii) in the rent drop box at the facility.

All of our locations are open for regular business hours at this time. However, this is a fluid situation, and our hours may have to change in order to comply with future federal, state or local mandates.

Finally, if you have any questions or concerns please call the office of the facility at which you are renting. As always we will be more than happy to assist you with any information you may need or to address any concerns you may have.
