

Care Partner/Medication Assistant

Do you have a heart for elders and a passion to help? As a care team member at a Compass Senior Living community, you have an opportunity to shine and demonstrate creativity in caring for our residents in a loving home-like environment.

Benefits:

- Insurance available after 30 days of employment (medical, dental, vision)
- 401(k) retirement fund after 1,000 hours work
- Voluntary benefit options (life and disability insurance)
- Vacation and sick time begin accruing immediately

Requirements:

- Must have compassion for and a desire to work with elders
- Ability to communicate and relate to families, residents, co-workers, and vendors with excellent customer service
- Understand the importance of being present for another person
- Caregiving experience or a passion to learn. We provide education and shadowing with experienced team members

Responsibilities:

- Assist elders with activities of daily living (including medications if medication assistant)
- Document care, observe and communicate any changes
- Take initiative to ensure resident safety and satisfaction
- Communicate professionally, provide excellent customer service, and model our senior living leadership values of goodness, loyalty, faith, and fun.
