DYNAMIC ENVIRONMENT

Our thoughtfully designed spaces—perfect for recreation and entertainment—invite you to gather with others, while our beautiful gardens and courtyards offer fresh-air enjoyment. We feature a variety of dining venues, such as bistros and formal restaurants, where you can savor gourmet meals prepared from scratch and tailored to your dietary needs by our in-house chefs.

HIGHLY PERSONALIZED CARE

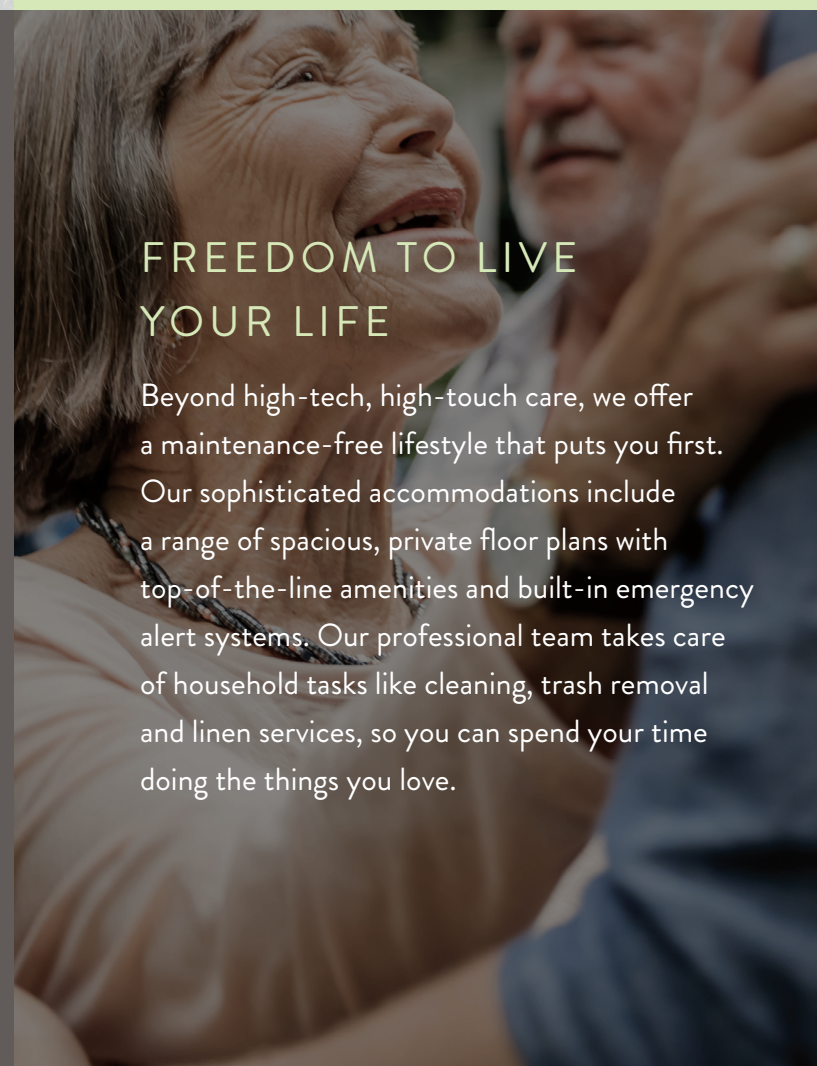

Our assisted living experience begins with a comprehensive Wellness Profile. Completed by a licensed nurse, this unique portrait of your health acts as the starting point for a wellness plan that focuses on your strengths and provides you with the specific support you need to lead the life you deserve. Our highly certified, passionate team of Care Managers delivers seamless care, supported by e-records, smart devices and more.

FREEDOM TO LIVE YOUR LIFE

Beyond high-tech, high-touch care, we offer a maintenance-free lifestyle that puts you first. Our sophisticated accommodations include a range of spacious, private floor plans with top-of-the-line amenities and built-in emergency alert systems. Our professional team takes care of household tasks like cleaning, trash removal and linen services, so you can spend your time doing the things you love.
