# Social Strategizing: Ways We're Using Tech to Connect & Engage

As we observe state-mandated health guidelines and practice physical distancing, we really are as connected and engaged as ever! One of the major ways we are connecting is by utilizing tech at our community. We're no strangers to using tech for resident engagement, but now we have taken on even more ways to stay in touch, and have added new approaches to activities as part of our life enrichment program!

Wanda, Doris and Lorraine love playing nursery rhyme trivia on the iN2L!

Alexis lead exercise by demonstrating each move from the Fit Xpress exercise class on the iN2L.

- While physically distancing, tech at our fingertips enables us to do activities such as:
- Country touring
  - Craft printing for art
  - Entertainer watching
  - Exercise classes
  - Gameshows
  - Google Earth travels
  - Karaoke
  - Museum touring
  - Park touring
  - Puzzles
  - Sport watching
  - Story writing
  - Trivia
  - Video chatting
  - Virtual painting
  - Virtual pet therapy
  - Worship services
  - And more...

Alex shared a lovely moment skyping his wife Joan and their cat Dragon!

### A note regarding Coronavirus:

The safety and comfort of our residents and staff remains our number one priority during the Coronavirus cases that have happened nationwide. It is important to communicate our plans to mitigate risk in our community. We are following mandated health guidelines. Please note that all activities are subject to cancellation per current mandated health guidelines. To read a full list of measures taken, and our current visitor policy, please visit our website: [www.farmingtonsquare-eugene.com](http://www.farmingtonsquare-eugene.com)

### Limerick Challenge!

In honor of Limerick Day on May 12, try writing one! They are funny, 5-line poems. Hickory, Dickory, Dock is a famous example.

### The Rules:

1st, 2nd, & 5th lines rhyme and are 8 to 9 syllables. 3rd & 4th lines rhyme and are 5 to 6 syllables. Good Luck!

### Our resident spotlight shines on: Larry!

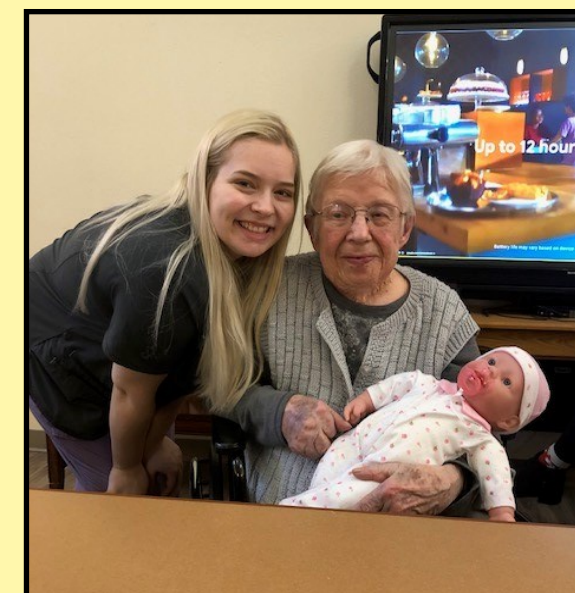

Larry is from Washington, D.C., but lived in Oberlin, Ohio, where he attended college; Princeton, New Jersey, where he attended graduate school; the Philippines for a year; and Virginia for 50 years.

He is described as loving, very positive, kind, mellow, sweet, charming, intelligent, gentle and he never complains.

Larry worked as a Director for the College Board in Washington D.C. and was a consultant to help create policies assisting with financial aid for access to colleges and universities.

He enjoys kayaking, travel, liberal politics, skypeing with his family, Bingo (bingo candy), card games, watching the news, movies - mostly dramas, and music— Hawaiian, Bluegrass, and Classical are his favorites!

Larry, everyone enjoys your company and your smile lights up every room. Thank you for choosing Farmington Square as your home!

### Our staff spotlight shines on: Mai!

Mai is a caregiver here and has been a part of our Radiant team for almost a year!

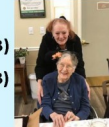

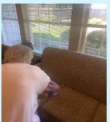

She is described as cheerful, friendly, bubbly, giggly, soothing, compassionate, and hardworking.

Mai was born and raised in Springfield, Oregon. Her favorite foods include steak, sushi, and burgers. Her favorite things to drink are strawberry lemonade and rebels from Dutch Brothers.

She enjoys watching all types of movies, shopping, hanging out with friends, spending time with her family, and listening to music

Mai, nothing but good things are said about you. The residents love you and the staff adore you. We appreciate everything you do!
