Bob's Dare to Dream

Our Dare to dream for July was fun and exciting. We took Bob Kilbureg along with his Wife and Daughter, to What Cheer Iowa to the harness horse races. Once we got there it was as if we arrived with a celebrity everyone coming up to greet Bob and talk with him followed by them thanking us for bringing him out. They even announced That Bob was there on the loudspeaker. The day we went Bob's grandson had a horse that raced for the second time in its career and with us cheering it on the whole way it won first place. In that moment Bob jumped out of the car where he was sitting and with tears and determination in his Eyes, he walked to the winner's circle to be with his grandson in that moment. You could see the pride bob Had for his grandson. After the excitement of the first race we sat and talked about their memories on the track when bob was active and had horses running. Bob told us lots of stories on the way there and back he was very happy to share his stories with us.

This month we have had lots of fun making new things and building relationships. We baked some yummy things for our bake sale to fight Alzheimer's. We have all done our parts to help our team raise money. We enjoyed some outside messy fun painting with squirt guns. We continued our weekly bowling tournaments there we are always laughing and having a great time. On July 17th we had an ice cream social and with the warm temperatures outside ice cream was just what we needed.
