## A very special Anniversary

On June 18<sup>th</sup>, 1941 Dan and Mary Jane Kramer became husband and wife. Their married life started with a trip to California where Dan began his military service stationed on the battleship California in Hawaii. Dan was there when Japan attacked pearl harbor. Dan survived and returned to California after the war ended. Mary was waiting in California for Dan while he was fighting the war. Dan and Mary Jane decided to move to Clinton for Dan to follow a job lead at Dupont. They built their life here welcoming many friendships. Mary Jane and Dan had 3 children, and numerous grandchildren for their 78-year wedding anniversary we congratulated them both and lifted our glass to a long and happy marriage. We asked Dan what the secret to a long marriage and he replied, "always say Yes Dear".
