

# From the Manager

We made it! April is here and the team at Prairie Hills is ready to spring into action getting our outdoor spaces ready for use. We will be getting new patio furniture set up, along with sprucing up what we already have, and doing some planting of flowers and garden boxes. We are also looking forward to hosting an Easter Brunch for the residents and their families. Brunch will be held April 14th from 11-1, the cost will be \$8, and we ask for RSVPs to be in by April 10th.

As always, we will continue to work everyday to make Prairie Hills the easy choice when choosing assisted living, so feel free to stop by and see all that we have to offer!

Thank you,  
Cory Ireland

## Happy Easter!

Hopefully winter is behind us and **spring is here! I'm ready for warm** weather and the sun! Our Live 2B Healthy exercise group is getting larger everyday which is great! **Luckily we didn't have many cases of** the flu this year. Thank you all for keeping each other healthy. If you have any upcoming appointments please let Kelly or I know so we can get them on the calendar and have some information ready for you to take.

## **Did ya know....**

**In the Good Ol' Days of April Fifty years ago, in April 1969, the average annual income was \$6,500. Average cost of a new house was \$60,000. Minimum wage was \$1.60 per hour. A loaf of bread was 23¢, a dozen eggs were 62¢, and postage stamps were 6¢ each. A new car cost \$2,000. But best of all, gasoline was 32¢ per gallon—even cheaper than a gallon of milk, which was \$1.10.**
