Happy March Everyone!

We have been very busy here at Prairie Hills over the last two months! Our residents have been enjoying the new paint and carpet that has recently been added to the community. We are also getting a new state Stanley security system! You will notice this system when entering and leaving the building, in which you will need to put in the code of 1234A during the hours of 8AM-10PM. When your trying to enter the building after these hours you will need to call 319-334-2000 and identify yourself and who you are visiting in order to enter the building. This will provide more security for the residents because the new system will send all alarms directly to the iPads that the Resident Assistants are using!

Prairie Hills is looking great, we welcome you to come and tour the community!

Have a great March and a Happy St. Patrick's Day!

As always, if you have any questions or concerns feel free to call!

It's March already!

Another month has gone by quickly here at Prairie Hills. Are you feeling lucky this month? Join us for a Casino Night on March 12! Our community would love to have you here! We will have black jack, roulette, cards, and so much more! Along with fun nights like these, we also provide specialty activities for residents. Through our Dare to Dream program, it is our pleasure to make a resident's dream become a reality! If you know of a dream that your loved one has, let Sadie know!

Happy St. Patrick's Day!
