Welcome Health Care Coordinator

Andrew Means, RN

Andrew has hit the ground running by meeting staff and residents and becoming familiar with our community. Andrew comes to Prairie Hills with experience in long term care and has impressed everyone he's met with his thoroughness and calm, patient demeanor. When he's not working, Andrew enjoys spending time with his family and watching movies and sports, especially the Chicago Cubs, Bears, and Bulls. His main priority are his three daughters, keeping him and his wife very busy with various activities such as going to parks, dance, soccer practices and games.

"I'm very happy to be working with such a great team of hard working and caring individuals that treat all our communities residents like family. Since my first day I have found staff, residents, and residents' families to be very welcoming." —Andrew Means, RN
