Above: Alberta smiles for the camera with her glass of wine in hand during our wine and chocolate tasting.

We treated ourselves to wine and chocolate for Valentine’s Day. The residents and our guests seemed to enjoy our pairings of wine and chocolate, the Zinfadel with dark chocolate and the Moscato with white chocolate were the crowd favorites.

**Advice from Amber.....**

Spring is on the way! However, we are still dealing with ice and would like to remind you to use these tips in preventing slips, trips and falls: Walk like a penguin(feet are apart for a wide base), walk slowly, wear boots with plenty of traction and use sidewalk salt. Also, avoid uneven ground that could result in a hard to tell area of ice aka black ice. Stay safe out there!

**Culinary Corner with Charlene.....**

We are happy to welcome Jasmine Daisy, a new server to the Culinary Team. She is a sophomore at Tipton and participates in cheer-leading, band, choir and speech.

When celebrating residents birthdays with their favorite desserts we are finding that chocolate seems to be a favorite with quite a few of them. Two of the 3 birthdays in Feb chose something with chocolate and it will be interesting to see what March brings.

Camp Courageous visited us with their animals this month. The residents loved the opportunity to see each of the unique animals they brought to share. Pictured above left: Velva pets Camp Courageous’ bunny while Berniece watches. Above middle: Carol gets to see the sleepy hedgehog Camp Courageous brought for the residents to enjoy. Above right: Vivian has the opportunity to pet the sweet chinchilla.

Left: Uriel from Camp Courageous gave a very informative presentation to our residents on the animals he brought to share. He did a wonderful job answering the residents many questions about the animals and Camp Courageous as well. It was an very enjoyable morning.
