**Congratulations Class of 2019**

Above, five out of our six graduating high school seniors came to celebrate their graduation with our residents. Our graduating seniors shared their future plans with our residents and received lots of wisdom and well wishes from the residents.

Above: Residents made May Day baskets that we delivered to family and friends in the community.

The Cedar County Youth Council volunteers visited with our residents on a Saturday morning for a couple hours. The residents had the opportunity to play games, get manicures, or just visit. A lot of them just enjoyed visiting and connecting with the high school students. The Cedar County Youth Council is made up of 4-H Members from all across Cedar County. This wonderful group of students will be back again in June to show off their 4-H presentations before they have to present at the Cedar County Fair. The residents and volunteers filled the community room and some even played several games of pool in our game room. It was a fun filled morning.

This year we recognize six graduating High School seniors. Congratulations to Shelby Slaton, Kenzie Poppe, Makayla Hansen, Katelyn Binns, Rachel Hart and Nick Urmie.

Below: The North Cedar Chamber Choir came to perform for the residents this month. It was a wonderful afternoon of music with some very talented young men and women. They performed some of the same pieces they performed for their spring concert. It was very well received.
