HEALTHCARE SYSTEM OF HAWAII A Legacy of Caring for Hawaii's People

Live Every Moment

Active, Wellness-Focused Living and Supportive Assisted Living

Welcome to Senior Living Happiness - Island Style.

Hale O Meleana is part of the St. Francis Kupuna Village in Liliha, a unique one-stop health and wellness campus designed to meet the growing and changing needs of Honolulu's rapidly expanding senior population – and their caregivers.

With a backdrop that features an abundance of natural beauty, Hale O Meleana residents can enjoy a community that is located within a larger campus that is highlighted by outdoor walkways and themed gardens to encourage residents to stay active and engaged. Beautiful tropical views, a robust activities calendar, 24-hour support and access to high-quality medical care, skilled nursing and rehabilitative services, all create the perfect place to live a rich and fulfilling life at Hale O Meleana.

Assisted Living - Remarkable in Every Way

Assisted Living at Hale O Meleana offers the extra support residents need to help them thrive. Whether residents need assistance with the activities of daily living or assistance with medication, our friendly, respectful staff works with them (and their families) to customize a daily schedule based on individual preferences.

Memory Care - A Signature of Excellence

Hale O Meleana provides the highest quality of care for those with Alzheimer's, Dementia, and other forms of memory loss in a secure home-like environment. Providing exceptional care for our residents is our singular focus and is the result of the marriage of excellent design, staffing, and programming. Our specially trained and licensed memory care professionals believe in and promote the values of respect, dignity, and individuality to deliver a purposeful life and vibrant community.

Respite (Short-Term Stay)

Hale O Meleana provides a short-term, day to day respite program that offers access to the same amenities and services as our longterm residents.

Live Every Moment- Enjoy Life

Our new assisted living and memory care center includes five beautifully decorated and thoughtfully designed floors.

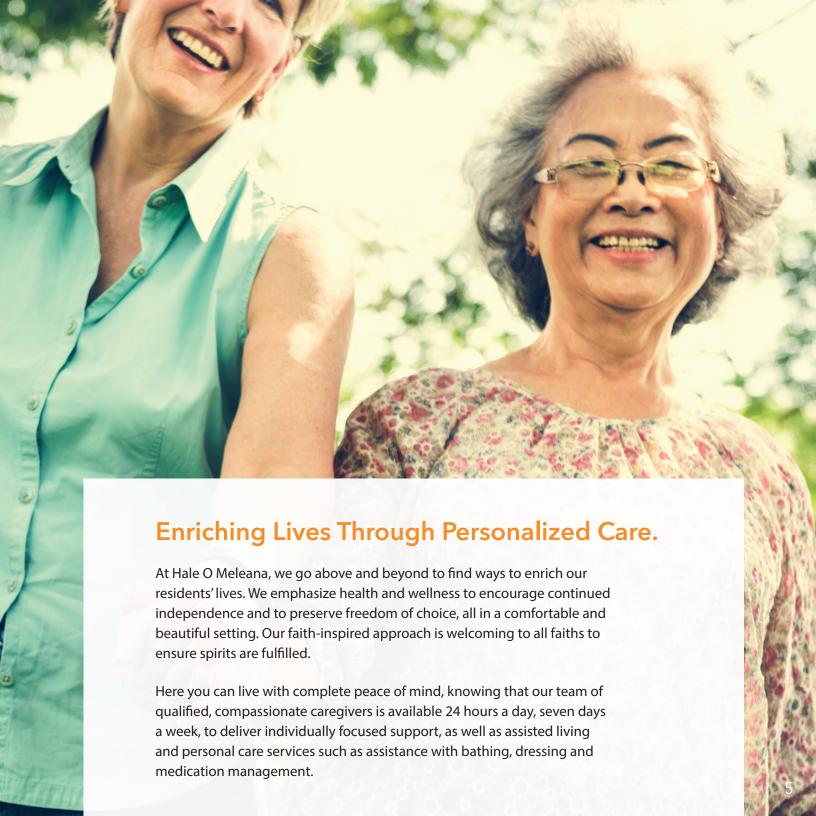

Additionally, it will allow the Sisters of St.

Francis to have one place to call home after being located in various locations for so many years.

All residents will enjoy amenities to make life easy and worry-free including: chef-prepared meals, private dining areas, chapel, garden courtyard/lanai, recreation areas, movie room, private sitting, activities and meeting areas

Quite simply, life at Hale O Meleana includes everything you need to stay healthy, well and as independent as possible.

What Sets Us Apart

Committed to Kūpuna

When Saint Marianne Cope and the Sisters of St. Francis saw others in need, they never hesitated to meet those needs. Their legacy of caring began in Hawaii more than 135 years ago and is as strong as ever. Hale O Meleana – Hawaiian for House of Marianne – is a tribute to Saint Marianne, whose positive, can-do spirit and servant leadership qualities continue to move St. Francis Healthcare System of Hawaii forward today.

St. Francis Kūpuna Village

Assisted Living at Hale O Meleana adds another dimension to the continuum of care offered by St. Francis Healthcare System of Hawaii and represents the ongoing commitment of the Sisters of St. Francis to meet the needs of the community.

Many Services, One Convenient Location

The St. Francis Kūpuna Village is Hawaii's first one-stop health and wellness center for seniors and family caregivers. The close proximity to downtown Honolulu with multiple services in a single, convenient location makes this ideal for busy caregivers.

In addition to Assisted Living, the St. Francis Kūpuna Village offers:

- A multi-purpose senior community center for health and wellness classes
- Adult day care
- Skilled nursing care and short-term rehabilitation
- Outpatient services to provide care for those with Alzheimer's disease, Dementia, Parkinson's disease, and other neurological conditions
- Diagnostic Imaging (X-ray and MRI) services
- On-site pharmacy
- Dialysis Services
- Physician specialty offices

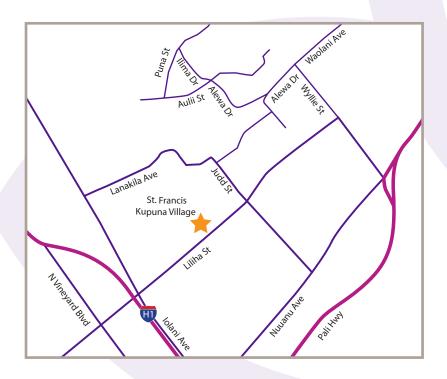

Assisted Living and Memory Care by St. Francis Healthcare System

Hale O Meleana is sponsored by the Sisters of St. Francis. As one of the largest providers of multifaceted care options for seniors and family caregivers on the islands, St. Francis Healthcare System of Hawaii echoes the selfless efforts of the Sisters of St. Francis in offering services along the entire continuum of care to maintain the dignity for all of Hawaii's people.
