

# June

## *A Note From Our Director*

We are heading into June already folks. I am happy that summer is right around the corner and I know most of you are ready to get outside and enjoy some of that sunshine. I want to say that I appreciate all of you so much and I know things have been so hard since the Corona virus and our current situation. When we do start opening things and make changes you will all be the first to know. Currently we are continuing our current restrictions. I want to say a very Happy Father 's day for all the dads here this June!!! Please remember that Rachel is still doing 1 on 1 visits and we are doing some things so please see her for more details. Make sure that you get outside to get some fresh air and if you are feeling ok talk to your neighbor! We can all get through this together and need to rely on everyone for support. I am proud that we are still SAFE here and I intend to keep it that way. I did have some important news and wanted to let you know that our RN Shelly is leaving and we wish her the best in the future. I am working hard on getting a new RN for Moran Vista and will keep everyone posted once we finalize our decision. If anyone has any questions or needs me please stop down and visit. Have a great month!

Heart is a very good fertilizer; anything we plant love, hate, fear, hope, revenge, jealousy surely grows and bears fruit. We have to decide what to harvest.

*Blessings,  
Andrew Steighner*
