

For the Joys of Senior Living

Innovative. Engaging. Enlivening.
Totally Captivating.

June 8, 2020

Dear Residents and Family Members,

We are happy to report we are continuing with our phased approach to reopening the All Seasons communities, following the revised Executive Order of June 1, 2020.

We will be taking a measured approach to reintroducing programs and services, following the recommendations and guidance of Oakland County Health Division and the State of Michigan.

- Residents are able to enjoy walks outdoors or throughout the community at their leisure.
- As discussed in prior communications, we will continue to enforce appropriate social distancing and mask-wearing practices until further notice.
- Full housekeeping will resume in all residences.
- Health screening before entering the community will continue for all. Per Executive Order 2020-108, we will not be allowing guests until at least June 26th.
- We are happy to reintroduce limited activities to our events calendars and we will soon see entertainers returning.
- Although we are very eager to open up our dining services, at this time, we will not be reopening our dining rooms and bistros until we get more specific guidance from the State of Michigan on this matter. Your health, safety and wellness remain our top priority.

We will keep everyone informed as we take additional steps in the coming days and weeks. As always, thank you for your continued support as we move through this process.

Sincerely,

Adam Snyder
Vice President, Senior Living
