

Indiana Outdoor Visitation

Guidelines as of June 3, 2020

Criteria for Trilogy Senior Living Communities to Offer Outdoor Visitation

- The County in which the facility is located must have passed Stage 2 of Indiana's Back on Track Plan. Currently Cass and Marian County Health Departments are still not permitting any visits to long term care facilities at this time.
- The facility has had no new facility-onset COVID-19 cases in the past fourteen (14) days among residents or staff.
- The facility has no more than five (5) active COVID-19 residents at any given time.

Please note that if at any point our campus does not meet the criteria outlined above, we may suspend visits to our campus until such a time that we can begin to offer visits safely.
