Announcing the Retirement of Michelle Larson, Senior Living Counselor

June 30th, 2020

Her “Party” will be a Hallway Happy Hour on Tuesday, June 30th with beverages and Michelle as the main event. She will go around with the Happy Hour Cart to chat with everyone.

Dear Michelle,

I write this letter on behalf of every member of Keystone Place at LaValle Fields and Keystone Senior Management Inc. We feel that it is important to put into words our heartfelt thanks for the hard work and superb performance that you have given this community over the past five years. Retirement has never been more deserved. You have inspired everyone in the company, and you have allowed us to achieve our reputation for excellence. Your leaving marks the end of an era here at Keystone Place. I know we will all come to appreciate you even more when we try to fill the void that you will leave. In your five years here, you have been a mentor to us all. You have taken this department to the leading edge of the industry, which is the kind of record any company should envy. Even more important though are the friendships you have developed over that time. We will all miss you very much. Your colleagues and friends, both past and present, want to congratulate you on a successful career. You have been an inspiration to us all.

Sincerely, Keystone Place at LaValle Fields

Thank you!
