Letting Your Garden Grow

The last couple of months have been difficult and ever changing for us all. Here at Waltonwood, we think daily of ways to remind residents of reasons to smile, and feel a sense of purpose. Over the last couple of months we have done just that with our courtyards. After normal socialization took a twist, what better way to connect than with the beauty of nature. Both Waltonwood staff and residents, have been working together to keep our courtyards filled with love. With a variety of colorful flowers, vegetables, and herbs there is something for everyone. Residents have been encouraged to come out and enjoy nature in all ways. No matter if it's just taking a stroll through, to check out what's new. Or rocking in a rocking chair while soaking up some sun. We encourage it! Some help water the plants, to make sure they continue to grow, while others use our courtyard swing and just enjoy the change of scenery. Together we are making the best of what we've been given. It's not always easy to accept change, but in some cases such as this one, it's worth it! In the meantime to all our Waltonwood families and friends we miss you! We hope that during this time of self care and isolation you too were able to cultivate new growth and allow your garden to grow.

ASSOCIATE SPOTLIGHT

Associate of the Month: Octavia Smith (Med tech /Caregiver)

This month we want to recognize Octavia for all her hard work and dedication to the residents of Waltonwood Cherry Hill. Despite the mask, her smile shines through as she commits to caring and helping out where she can. As both a caregiver and a medtech, her work is appreciated, and we thank her for being a part of our Waltonwood team!

Please see the front desk concierge to nominate an associate you feel has been doing a wonderful job!

Transportation Information

Waltonwood offers transportation via bus or car for resident appointments and activity outings Monday through Friday.

The bus is free for trips under 10 miles. If the trip is longer than 10 miles, a fee of \$2 per mile will be charged. Residents are not charged mileage for group activity outings.

All sign up sheets for activity outings, church outings, etc, can be found in the Outing Binder in the Assisted Living Post Office. You must sign up by writing your name and apartment number on the respective sheet.

Waltonwood pays upfront for the cost of the residents on the outings and then the amount is billed back on the residents monthly statement.

***During this time of social distancing we are still going on trips, however they are virtual! What greater time to explore the world without worrying about the timing, price and those pesky germs! With today's technology providing the full experience, without the hassle is the way to go. Although we may not be able to take the bus and do our traditional outings at this time, the adventure will not stop!**

Thank you for practicing social distancing

FOREVER FIT: YOU CAN

Henry Ford once said, "Whether you think you can, or you think you can't...you're right." Often the ultimate success of an exercise program starts with the words we tell ourselves. Far too often we don't give ourselves the credit we deserve for the strengths we have. Far too often we focus on what we can't do instead of embracing what we can. At a time when motivation can be hard to find and positive thoughts are replaced by uncertainties give yourself the credit you deserve. The words we tell ourselves are the foundation our potential so let those words be kind, confident and powerful!
