ASSOCIATE SPOTLIGHT

We recently honored our Waltonwood Carriage Park Class of 2020 graduates with a small ceremony commemorating their milestone accomplishment. As we are all aware, this graduation season looked very different for our associates who are graduating from high school. On behalf of your Waltonwood Carriage Park family, we are proud of each and every one of our graduates: Katlyn, Alexia, Nathan, Logan, Emily, Zoi, Julia, Kiernan, and Fionna. We look forward to following their inevitably wonderful journeys as they begin a new chapter in their lives. Congratulations to the Class of 2020!

FOREVER FIT: SIMPLE STEPS

Henry Ford once said, “Whether you think you can, or you think you can’t...you’re right.” Often the ultimate success of an exercise program starts with the words we tell ourselves. Far too often we don’t give ourselves the credit we deserve for the strengths we have. Far too often we focus on what we can’t do instead of embracing what we can. At a time when motivation can be hard to find and positive thoughts are replaced by uncertainties give yourself the credit you deserve. The words we tell ourselves are the foundation our potential so let those words be kind, confident and powerful!

EXECUTIVE DIRECTOR CORNER

As we spend our days watching harrowing stories about COVID-19, I thought it would be a great opportunity to share some good news! Major League baseball, America’s pastime, is expected to return later in July! Break out the sunscreen—Michigan has an increased chance of warmer than average temperatures this summer! The honeybee population is bouncing back after brutal previous winters! Our very own Waltonwood resident, Bonita, turns 109 on the 4th of July! Let this be a reminder to take time every day to seek out good news—it’s important now more than ever!
