CHEF'S SIGNATURE RECIPE

Lemon Lasagna Recipe

Ingredients

| | |
|--|-----------------------------|
| 14.3 oz Pkg Lemon or Golden Oreos (36 cookies) | 16oz cool whip |
| 6 Tbsp unsalted butter (melted) | 7.8oz lemon instant pudding |
| 8oz Cream Cheese (softened) | 3 cups milk |
| ½ cup margarine or butter | lemons for garnish |
| 1 cup powdered sugar | |

Directions

1. Begin by crushing your Oreos. For a very fine mixture, place Oreos in a food processor. Place in a ziploc baggie and add melted butter. Mix until it is well combined.
2. Press into the bottom of a 9x13 pan, spreading out to cover the entire bottom of the pan
3. In a medium bowl, blend cream cheese, butter, powdered sugar and ½ of the cool whip. Blend well and pour over your Lemon Oreo crust.
4. In another bowl, make the pudding by adding your milk and instant pudding to your bowl. Whisk together until pudding thickens. Pour over the cream cheese layer. Refrigerate for at least 5 minutes.
5. Top off with the rest of your Cool Whip.
6. Refrigerate at least 1 hour before serving. Add lemon slices and enjoy.

WALTONWOOD HELPING HANDS IS COLLECTING BOTTLE FOR LOCAL RESIDENT WITH PARALYSIS

While participating in a high school musical during sophomore year at Walled Lake Central in 2010, Drew's life was turned upside down. When the play's director asked if the students had any unique talents to share for the musical, Drew offered that he could perform a backflip, which he was still in the process of learning. Drew landed wrong in his ill-fated demonstration, breaking his neck, leaving him paralyzed from the shoulders down in the process. Since then the Drew's Crew has been hosting various fundraisers to help fight against paralysis.

Drew's Crew is currently holding a BOTTLE DRIVE to help offset his continuous medical care. You may drop off your donation in the Assisted Living Activity Room donation box before July 30th. FOREVER FIT – You Can

Henry Ford once said, "Whether you think you can, or you think you can't...you're right." Often the ultimate success of an exercise program starts with the words we tell ourselves. Far too often we don't give ourselves the credit we deserve for the strengths we have. Far too often we focus on what we can't do instead of embracing what we can. At a time when motivation can be hard to find and positive thoughts are replaced by uncertainties give yourself the credit you deserve. The words we tell ourselves are the foundation our potential so let those words be kind, confident and powerful!

FROM THE DESK OF THE EXECUTIVE DIRECTOR

As we begin another month of our "new normal", we start to focus some of our attention on the results of the Satisfaction Surveys completed in early 2020. The information we learn from these surveys allows us the opportunity to grow and improve in areas identified by our residents and associates. Our team is working together to implement positive changes based on the information provided. We appreciate those of you who took the time to complete these surveys. For those of you who did not, there's always next year!
