A Warm Welcome to Ky and Stephanie

In the midst of some trying times when everyday life wasn't exactly as we knew it, we had a new set of Managers come on board here at The Highlands. Ky and Stephanie McElhaney accepted the Management position and with great ease

stepped into their role while our state and our building were in quarantine. Not having the opportunity at the time of seeing you on a regular basis at meals in our Dining Room did not deter them at all from taking each and every moment to get to know you. They have done such a fine job all around, ensuring smooth operations in the building while caring for all with very warm, kind hearts and their abundant Southern hospitality.

I asked them to share a bit about themselves and this is what they had to say: They hail from Texas and have five children — three grandchildren and one on the way, who will be named Valerie Viola. They have been employed with Hawthorn for a total of four years but beforehand worked as petroleum landmen in the oil and gas industry. Ky was also a police officer for several years and is a veteran of the U.S Army. Outside of work, they both very much enjoy photography. Stephanie is a self-taught artist and does sketching and decoupage. Ky enjoys hunting and is an avid video gamer. They have become a great addition to the Highlands family, and they look forward to many great years here. A very warm welcome to both.
