Neighborhood Surprises Sanitation Workers with "Thank You" Celebration

Oftentimes, being a remarkable person means simply doing the right thing – and expecting nothing in return. If you were to ask the residents of North Bay Road in Miami Beach who this sounded like, they would point you towards two local garbage collectors -

Keon Richardson and Saul Scruggs. Always arriving to their route with a smile on their face and going above and beyond for others, these two sanitation workers are beloved by their local community - who felt it was time to repay the favor.

Recently, Keon and Saul were driving down North Bay Road when they found themselves blocked by a massive party of grateful residents and family members. Members of the coordinated rally, including Miami Beach Mayor Dan Gelber, waved signs and balloons of encouragement to Keon and Saul, happy to be celebrating them for their selfless service.

"They bring an incredible, positive energy to the entire neighborhood," said Jennifer Elegant, organizer of the

surprise party, to Good News Network. "Simply put, they spread joy."

Beyond simply picking up trash, Keon and Saul have been known to go out of their way to support their neighbors. Whether they're helping a resident find their wedding ring, aiding someone in need of an ambulance, or simply sharing their years' worth of wisdom with a friend, their presence is always felt, and their impact is always lasting.

As the two essential workers felt the love from the socially-distanced crowd, Saul delivered an emotional word of thanks to all of those who came to support the pair and their service.

"Without you guys, it wouldn't be possible. Thank you."
