

Resident Spotlight

*Cynthia S.
"Cindy"*

Cindy is a native of Detroit, Michigan. She came to California with her family and made her home in Encinitas. She attended San Diego H.S and then San Diego State where she majored in Business and Finance. She was employed by Ford Aerospace Co. in Newport Beach and worked in Computer Design and Drafting and later in a small company in San Diego as well.

Cindy and her family are active members of Saints Constantine and Helen Greek Orthodox Church in Encinitas where her family were founding members and benefactors. There, Cindy enjoyed participating in the Greek Dance Group and other social events.

At Vista Gardens, Cindy is a daily participant in our Breakfast Club, where she excels at word games and trivia challenges. She is gracious and appreciative of all residents, staff, and guests in our building. Her positive attitude is truly an inspiration to us all!
