Our Favorite Summer Pastimes!

Ah, summer! The days between June 20th and September 22nd are ones many of us in the U.S. look forward to for warm weather, relaxation, and outdoor fun! There's also Independence Day and vacations that stir excitement for many. No matter where you are, or what your plans are, we have some shining summer ideas for you.

- **Picnics.** Gathering on blankets on the grass with yummy foods and friends nearby (they can be on their own blankets with distancing in place) is an activity involving togetherness and nature that brings fun and relaxation.

- **Gardening.** Heading out into the garden, alone or with others distanced, is a fun way to get exercise and relieve stress. Ask any gardener; they'll tell you it's also fun! Just remember to check the heat index, stay hydrated, and use sun protection.

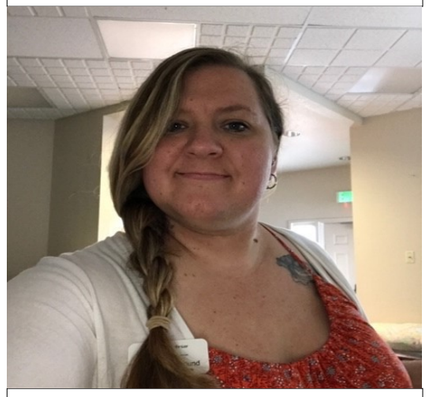
- **Painting and Placing "Positivity" Stones.** There's a trend of people painting rocks with positive, encouraging words and putting them in spaces for people to find. This activity is great because we can be creative, do art, cheer up others, and be out in nature.

- **Lounging by the Sprinkler.** Enjoy some cooling water fun on a lounge chair by a sprinkler! Friends can get in on this activity with lots of distance between.

There are many ideas beyond these that can make summer the best season! Our residents and team members have shared some of their favorite summer activities at the right! We encourage you to let us know your favorites on our Facebook in the comments section of our newsletter post on the 1st. Let's Get Summering!

Elsie's favorite summer pastimes are camping and gardening!

Bobbye's favorite summer activity is hiking!



Celene's favorite summer pastimes are floating down the river and going to the coast!

Our resident spotlight shines on: Harvey & Helen

Harvey is from Saskatchewan, Canada where he worked in the grocery business. He loves collecting model ships (he has 28 of them), football, baseball, hockey (he jokes that he wasn't good enough to go pro), poker, and reading the newspaper. Harvey is described as devoted, good-humored, sweet, intelligent, calm, friendly, patient, and thorough.
Helen is from Edinburgh, Scotland and is very proud of her Scottish heritage. Helen worked in a bank doing office work.
She loves dogs (especially Scottish terriers), reminiscing about Scotland, watching movies, talking with her neighbors, and getting pampered (getting her nails , hair, and makeup done).
Helen is described as humorous, spirited, charming, straight-forward, loving, encouraging, and clever.
Harvey and Helen met in Canada, when he was a manager of a small store. He had to take the money to the bank every week which is where Helen worked. They were married in 1961.
Thank you both for choosing Farmington Square as your new home. As they say in Scottish; Lang may yer lum reek (meaning I wish you good luck and good fortune).

Our staff spotlight shines on: Katie

Katie is a med tech on NOC shift here at Farmington Square. She has been a part of our Radiant team for six months.
She is from Redding, California, but grew up in a small town in Washington.
She enjoys hiking, riding her bike, driving to new places, spending time with her cats and dog, going to the movies, and collecting pretty river rocks.
She is described as hard working, soft spoken, sweet, motivated, gentle, attentive, generous, empathetic and a team player.
Katie, we are so lucky to have you! Your coworkers say that you never complain and that they do not have to ask you to do anything- you just do it. You always go above and beyond for our residents and we really appreciate your dedication and hard work!
