### Fun at the Fair

This summer is definitely looking a little bit different at Linwood due to the pandemic! With many state and county fairs not happening, that doesn't mean we can't bring the fun of the fair to life in our community. And that is just what we plan to do this month. Be sure to look for the Big Top, great food, fun and the return of childhood memories to appear in our building. Let the fun begin!

## Residents' Corner

Say hello to one of our newer residents, Pat! Patricia Mitchell Franklin was born on July 18, 1946 the second of six children in Columbus, Ohio. In her formative years she was a flutist in her high school marching band and graduated an honors student from high school. While in college, she attained membership into the first African American women's sorority, The Alpha Kappa Alpha Sorority, Incorporated. After graduation from The Ohio State University, Patricia began her career in education as a public school teacher in Cincinnati, Ohio. She then married David Franklin, Jr. and moved to Detroit, Michigan to further her career and her family. They had three children: Sonya, Leon and Mark and also seven grandchildren. Pat worked in her church to serve on the scholarship committee and sang in the church choir. She enjoys gospel, hymns and classical musical work. She also has wonderful sewing abilities. Pat retired after 38 years from Detroit Public Schools as an executive principal. Pat is loving life with her new friends at Linwood Estates and enjoys being close to her daughter's family, her Nurse, Ms. Pam, and enjoys her famous crossword puzzle books! She loves "Jeopardy!," "Family Feud" and can cut quite the rug if you play the right music!

## Linwood Happenings

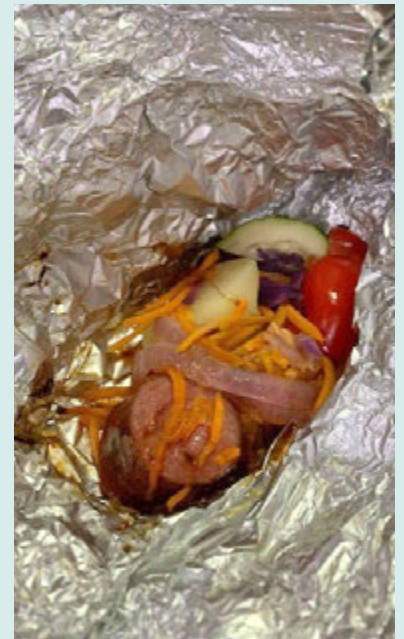

July brought with it the summer heat to Hotlanta. It also brought a resident garden full of tomatoes, strawberries, and peppers. We've enjoyed popsicles, strawberry shortcake, fun crafts and some happening Independence Day entertainment.
