## Extra, Extra, Orchard Heights' "U" Open Enrollment!

It is said that "life-long learners live longer," therefore, we hope to inspire you to be intentional in this pursuit by providing the opportunity to enter, in a fresh way, the halls of learning.

Some have expressed their interest in learning Spanish, the history of Florida and more.

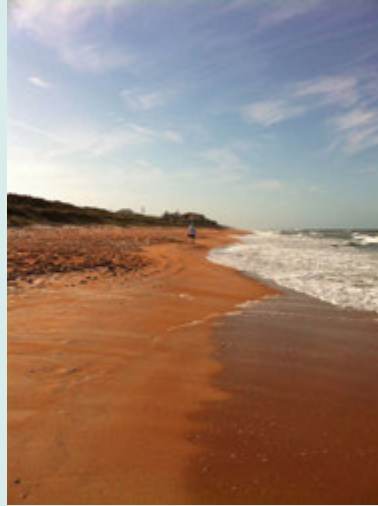

Come and join us in this learning adventure, beginning Monday, August 3rd. For your convenience, we will provide a morning (11 a.m.) and afternoon session (3 p.m.).

During our Live & Learn class, we will explore the "why, where, who, " of the following curiosities:

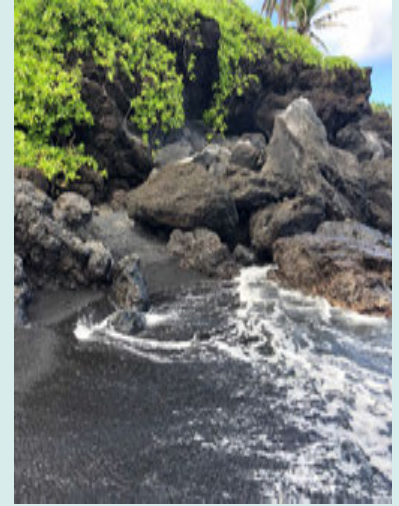

### **At the Beach**

The combination of sand and surf creates scenic coastlines across the world. Relax, unwind and find out what makes some beaches fascinating and fantastic.

- Beaches became popular destinations during the 1700s. Doctors often prescribed a visit to the seashore to improve a person's health.
- Most beach sand is tan or white in color, but there are beaches with sand that's black, green, pink, purple and red.
- Brazil is home to the world's longest beach, Casino Beach, which stretches 150 miles long.
- You'll find the "shark tooth capital of the world" at Venice Beach in Florida. Every year, hundreds of fossilized teeth from prehistoric sharks wash ashore there.
- At 58 feet high, the world's tallest sandcastle was built on a German beach in 2019.
- Tides have turned California's Glass Beach from trash to treasure. Its shore is covered with polished pebbles of colorful sea glass, made from garbage tossed into the ocean long ago.

*Red Sand Beach,  
Flagler, Florida*

*Black Sand Beach,  
Maui, Hawaii*

*Canada's best kept secret, Saskatchewan Purple Beach*

*Balos Bay Pink Beach, Greece*

- A day at the beach or the spa? You can have both at New Zealand's Hot Water Beach, where the water underneath the beach heats up to 150 degrees. Beach goers dig holes in the sand to soak in their own hot tubs.

"Let's Make Learning our Great Adventure!"

*New Zealand Hot Water Beach*

*Venice, Florida, Shark Tooth Capital of the World*

*Papakolea Green Sand Beach, Naalehu, Hawaii*

*58 ft. Sand Castle, Binz, Germany*

## We Salute Our Newest American Citizens!

Residents and staff celebrated these two exceptional ladies who labored for several years in meeting all the requirements in the naturalization process. On July 9th, we had the privilege to celebrate both Claudia and Sandra on their accomplishment of becoming American citizens.

God Bless America!

*Claudia and Sandra*

## Welcome Vanessa to the Orchard Heights Family!

*Vanessa McCall, Community Sales Director*
