Dear Suzanne,

Your gift made a world of difference.

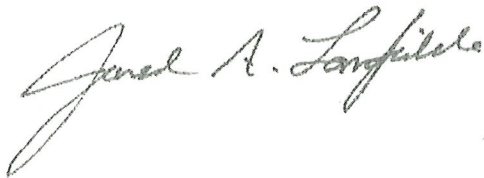

Thank you for your contribution of 50 Gift baskets for employees - Candy, TP, Lotion, Art therapy books, and Crayons (TPK) on 5/9/2020 to HonorHealth Foundation to support the fight against COVID-19.

The generosity of our community means so much to HonorHealth, our staff working on the front lines of this challenging outbreak, and ultimately our patients. From food to fuel our caregivers to protective equipment and cleaning supplies, you and others have provided an outpouring of support. You can be sure that it is not only greatly appreciated, but also inspires HonorHealth to continue going above and beyond to meet our community's healthcare needs.

We are so proud to be part of this community, where kindness and generosity win over fear and chaos. If there's any part of this crisis that we want to hold on to, it's the connections we've made with neighbors like you.

Again, thank you for your gift. Above all, thank you for making a difference as we respond to this unprecedented pandemic.

In gratitude,

Jared A. Langkilde
President and CEO
