## 96-Year-Old Man Graduates College in Italy, Shatters Record

For Gieseppe Paterno, every day is a new opportunity. As a veteran of World War II and a former railway worker, the 96-year-old Sicily native has lived a life full of remarkable experiences – and he always wanted to make sure that college was one of them.

“I said, ‘That’s it, now or never,’ and so in 2017, I decided to enroll,” Giuseppe told Reuters. “I understood that it was a little late to get a three-year degree, but I said to myself, ‘Let’s see if I can do it.’”

On July 29, as an enrolled student of University of Palermo, Giuseppe became the oldest graduate in Italy’s history. Despite having to switch to in-person classes in March of 2020 as a result of the coronavirus, Giuseppe would emerge victorious in his

studies with a degree in history and philosophy. Now, with his eyes set on the future, Giuseppe looks forward to exploring his other passions.

“My project for the future is to devote myself to writing; I want to revisit all the texts I didn’t have a chance to explore further” Giuseppe said. “Knowledge is like a suitcase that I carry with me – it is a treasure.”
