Sparkling Fall Time in The Vineyard

- Due to COVID restrictions, we are unable to plan overnight divisional retreats as we have in the past – but that doesn't stop Trilogy! To make sure that our residents don't miss out on this annual event, we're instead planning resident retreats at each of our individual campuses. By doing this, not only are we acting in compliance with state COVID-19 guidelines and restrictions, but we are also continuing to provide much-needed creative programming that our residents love and deserve. Our goal is to continue to enrich their lives, breathe fresh life into our "new normal" routine, and allow our residents to gain new experiences by bonding with peers and staff.

We will be hosting our Campus retreat for our residents on September 10th, 2020 through food, music, activities, and resident engagement, and our theme will be Sparkling Fall Time in the Vineyard. This Italian-themed event promises wine tasting, learning about the wine making process, grape and wine-inspired activities, and relaxing and enjoying the array of theme-activities. If you would like to know more information, please speak with Becca, the Life Enrichment Director, to hear more about this event.

96-Year-Old Man Graduates College in Italy, Shatters Record

For Gieseppe Paterno, every day is a new opportunity. As a veteran of World War II and a former railway worker, the 96-year-old Sicily native has lived a life full of remarkable experiences – and he always wanted to make sure that college was one of them.

"I said, 'That's it, now or never,' and so in 2017, I decided to enroll," Gieseppe told Reuters. "I understood that it was a little late to get a three-year degree, but I said to myself, 'Let's see if I can do it.'"

On July 29, as an enrolled student of University of Palermo, Giuseppe became the oldest graduate in Italy's history. Despite having to switch to in-person classes in March of 2020 as a result of the coronavirus, Giuseppe would emerge victorious in his

studies with a degree in history and philosophy. Now, with his eyes set on the future, Giuseppe looks forward to exploring his other passions.

"My project for the future is to devote myself to writing; I want to revisit all the texts I didn't have a chance to explore further" Giuseppe said. "Knowledge is like a suitcase that I carry with me – it is a treasure."
