

A Curated Approach to Modern Living

THE ART OF
LIVING®

Designed Uniquely For YOO

The YOO lifestyle is luxury living at its finest. It incorporates distinctly unique experiences for residents who want to combine social, cultural and recreational experiences in an active urban environment.

The Art of Living® is about uniting the Urbanite to extraordinary events, cultural experiences and programs that take them through “Explore. Engage. Enjoy.” phases of The Art of Living® and creates memories. Life is stressful enough for many as they move into a new location. The Art of Living® makes the process enjoyable by offering an experience that is resident-focused, intuitive, and lifestyle-driven. The Art of Living® brings a sense of boutique residential living providing areas for relaxation, socializing and recreation in a luxurious comfortable environment.

The Art of Living® embodies the essence of the YOO vision by bringing residents together and building a sense of community.

Personal Training

Experience one-on-one training services in the comfort of your own home. Energize your day with one of our knowledgeable coaches, who will create customized workouts built specifically for your goals, to help you feel your best.

Pet Care

Your pet will be in good hands whether you're home or away. Pet walking and sitting services are handled by a trusted pet care professional and grooming and spa services are available at our one-of-a-kind Pet Respite®. Give your four-legged companion the luxury lifestyle they deserve.

Housekeeping

Let us arrange housekeeping services that are specific to your needs, whether its once a week or for a special occasion. Standard and deep cleaning services are available to keep your YOO space looking its best at all times.

In-Home Services

Whether you need decor fixtures installed, a fresh coat of paint, or in-home package delivery, our skilled team is here to make your life simple.

Live Easy

We offer a variety of services to make your living experience at YOO as carefree as possible. From on-site personal training and pet care to in-home services that make interior design and housekeeping a breeze, our professionally trained team creates a sense of convenience for our residents like no other.
