Community Check-in with Jon Schultz, Community Manager

Wow, where did 2019 go?! The past twelve months has brought so many changes to Siena Hills. We've added numerous residents as well as staff to our family. Siena Hills is now just north of 95% full and we have added several staffing positions to accommodate the increase such as a Full-time Culinary Aid, new maintenance coordinator, as well as a float Nurse that will be in our Community 1 to 2 days a week assisting our Healthcare Coordinator, Taylor Bakker. I'm am excited that you have all decided to become a part of the Edencrest Family and join us on this journey. 2020 will be filled with even more changes and updates including a new 22 apartment addition that is rumored to have a movie room as well as pet washing station! From all of us at Edencrest at Siena Hills I want to wish you a very Merry Christmas and a Happy New Year!
