Ensuring the health and well-being of our population is of the utmost importance at Legacy Living Florence. We want you to know we take all precautions needed to ensure everyone's safety. We take temperatures, ask question related to covid, and follow state protocols. We have increased cleaning protocols to keep all areas well maintained. During our construction time, we will accept visitors into the leasing trailer following the above protocol. We will keep up to date with any changes as needed in relation to this uncertain time.

Warmest Regards,

Gwen Reverman
Executive Director
