

## Celebrating Birthdays In October

- 4<sup>th</sup>: Frank H
- 8<sup>th</sup>: Joe P
- 30<sup>th</sup>: John W

## TRANSPORTATION

Waltonwood will resume transportation for medical appointments on Wednesdays, and Thursdays. Please notify the Concierge of your appointment as far in advance as possible with the time, date and location. After reservations are made, each resident will be advised of a departure time within 24 hours prior to each appointment. Appointments will be scheduled between the hours of 8:30 am and 3:30 pm. Residents must wear a mask at all times and they must sanitize their hands pre and post transportation.

## The Benefits of Stretching

Although strength training and cardiovascular activity are incredibly important at any age, it may be stretching & flexibility exercises that are the most important for our senior residents. As we age muscles lose their elasticity becoming more rigid and less flexible. This age-related decline can cause pain, stiffness and decreased range of motion in many of the body's most used joints. Regular stretching can help improve movement and posture, alleviate muscle tension and soreness, reduce the risk of injury and help to maintain overall independence.

## UPCOMING EVENTS HIGHLIGHT

Happy October!

Its very hard to believe that we are now in the Fall season. 2020 has been an interesting year to say the least. As we are currently still in the midst of a pandemic, we must continue our restrictions with the safety of staff and residents a priority. We have now opened up limited visitation, dining, and activities which has improved the moral of our residents (and staff). We will continue to follow recommendations from the CDC and NC Department of Health and Human Services for the reopening of the community with the safety of the residents in mind.

Sincerely,

Jeff Plummer

Senior Executive Director

## COMMUNITY MANAGEMENT
