From crafts to community outing looking for sunflowers and to our surprise we found some and they were beautiful.

Some residents did a face mask with sunflower — check out Shirley's mask.

## Our Lunch

What a fun day this was — residents peeled potatoes and shucked corn for their lunch and corn roast.

They also reminisced about time at home cooking for their families.

## Seniors in the Digital World

Seniors in the Digital World is a new program to help you use new technology to improve your livelihood. For example, you can watch exercise videos from your home or use the Internet to download e-books and e-magazines.

It can connect with your loved one over FaceTime in this difficult time.

Seniors can also play video games, such as virtual reality games on the Nintendo Wii, that provides physical activity and mental stimulation.

Every Monday, at 2:30 p.m., you can get help with your device in the Activity Room (sign-up required). It will be one to one.

## Happy Thanksgiving Day

Thanksgiving Day has been a holiday on the second Monday of October since 1957. It is a chance for people to give thanks for a good harvest and other fortunes in the past year.

## Library News

2020 is going quickly! Hard to believe we are into October.

This month we shall celebrate Thanksgiving and Halloween. Our feature books will be inspirational and mystery.

The nights are getting longer and the days are colder, so curl up with a good book and read.

Be thankful and enjoy Halloween.

## The Heart That Gives, Gathers

Our heart that gives weather was a great way for us to give back to our community and show them our appreciation.

Our residents had a great time coming up with ideas.

## Outing and Music

An afternoon outing to the market – what a great way to support farms and local growth.

And a great afternoon with Music with Kim was a nice way to finish off a long week.

*What a great sign at the market!*
