Www.glenwoodplaceal.net

A limb has fallen from the family tree.

I keep hearing a voice that says, "Grieve not for me.

Remember the best times, the laughter, the song

The good life lived while I was strong.

Continue my heritage, I'm counting on you.

Keep smiling and surely the sun will shine through.

My mind is at ease, my soul is at rest.

Remembering all, how I truly was blessed.

Continue traditions, no matter how small.

Go on with your life, don't worry about falls

I miss you all dearly, so keep up your chin.

Until the day comes we're together again.

St. Patty's Party

Tuesday, March 17th | 2:00 PM

Residents, family and friends, join us for a St. Patty's celebration! We will be serving up green beer, shamrock shakes, and live entertainment. KDAO 99.5 FM Radio will be live on location as well, so if you can't make it, tune in and listen for familiar voices on the radio!

Pamela's Post... I can't believe it's been 9 years since joining this wonderful community in 2011! We've been very busy here at Glenwood Place Retirement Community, in the past 9 years we've added 6 townhomes, (4 more coming soon) 29 apartments, a kitchen addition/remodel, 3 gathering spaces, a theatre room, spa, fitness center, extended our Garden's area (Memory Care) to 17 apartments, added a butterfly garden. We've also added a new Glenwood Place bus and van to our transportation fleet.

A BIG Thank you goes out to our many volunteers to whom we owe a great deal for their dedication to our Glenwood Place family.

I could not have done it without my fantastic team here at Glenwood Place, our Senior Housing Management Team and all you my resident families, you all have made this community **THE** place to retire and call home in Marshalltown.

I've told my children many times....find something you love to do and you'll never work a day in your life.

Love you all,

Pamela

Residents, family and friends, Glenwood Place has a Facebook page! Like us on Facebook to follow along with daily updates, activities, photos of loved ones and announcements!

Music Speaks in the Gardens

Music therapy in geriatrics and memory care.

What is Music Therapy? An established health profession using music-based interventions to address the physical, cognitive, social and emotional needs of our residents.

Why we love it: Music therapy provides quality, cognitive simulation from the professional music therapists who visit our community. Verb communication skills and moods are enhanced during and after each session. We also love that the music therapy is held during the common sun-downing time in the late afternoon.

Would your loved one benefit from Music Speaks? Join us!

Music Speaks: Men’s Lounge, Mondays & Thursdays 3:45pm

Glenwood Place Royalty

The Glenwood Place community has spoken, and the King and Queen have been crowned. Residents cast their votes for 2020’s Valentine’s Dinner Royalty, electing Queen Anne Fiscus and King Ken Fiscus. Congratulations to Anne and Ken!

Hors d’oeuvres, Cake
& Purple Punch

Brooke’s Post... Townhome Update

Progress continues at Glenwood Place with the newest townhomes going up quickly! We are so thankful for our local builder, Shetler Construction, LLC, and our General Contractor Jason Johannes for making these builds go smoothly and efficiently. Our goal is for them to be move-in ready by May! Three out of the four townhomes are already rented, which just leaves one more townhome available! If you know anyone who may be interested in townhome living at Glenwood Place, and the many benefits it includes, please have them call Brooke or Pamela at 641-752-8410. We would be happy to provide you with a private tour and complimentary lunch! Amenities include: one meal a day, all interior and external maintenance, weekly garbage pick-up, transportation, emergency pendant, and nursing support. Additional services, including housekeeping and laundry services are available upon request. The townhomes make the perfect transition from home to community living, too! Should the need arise for assisted living care, our Townhome residents receive primary move-in status when an apartment becomes available in the main building.

Meet our Resident... David Luthro

A soft spoken, easy going man; that is how many of us would describe David nowadays. You can always find him with coffee or a book in his hands, or his guitar which he will still occasionally strum.

He grew up in a pretty religious household, and was well taken care of by his parents and much older siblings. He was the baby of the family, so some may say he was spoiled. School was “just alright”, but he really enjoyed participating in extra-curriculars and going out for everything he could. After school he joined the Army and served 3 years, stationed in New Jersey and Germany. He prides himself on being a self-taught guitarist, and has spent years playing with bands and loved attending musical events. Dave made a living as a machinist at Fisher Controls, and raised all daughters along side his wife Roberta. David has been active in his church, conveniently located right next door, Our Savior Lutheran. He also enjoys spending time with his companion, Bev. Say hello to David next time you see him!

Meet our Staff... Jocelyne, Resident Assistant

I was born and raised in Tijuana, Mexico until I was 10 years old and then moved here to Marshalltown. I have lived here since our move 13 years ago. I attended high school and college in Marshalltown, earning my AA degree from Marshalltown Community College, as well as my medical assistant degree. While in college I worked for a see company named Becks. This is were I met my husband, and we recently just got married! After leaving Becks, I worked as a CAN in a nursing home, then decided to try Glenwood Place assisted living in which I have worked for about 5 months. On my time off I enjoy baking and making desserts and spending time with my husband drinking coffee and visiting cafes.

You can often find Jocelyn working in the Gardens Memory Care, but she fills in in the assisted living halls when needed. Her work ethic and dedication to our residents does not go unnoticed. We appreciate you, Jocelyne!

Meet our Staff... Beth Polkiewicz, R.N.

Memory Care Coordinator

Raised in West Marshall school district, I have lived in Melbourne for 13 years. I have one child, a son who is 13 years old. When I am not working I love to take our dogs on walks with my son and we also enjoy going for bike rides. For quiet time I love historical novels and watching IPTV or documentaries on TV. I also enjoy reading medical articles to keep up on changes as this is an ever progressing field. I have worked in the medical field for 20 years. I got my CNA in 2000 and worked at the Iowa Veterans Home – Dementia Unit for 2 years; I then went and worked at Bickford Cottage for 2 years. I had my son in 2006 and stayed home with him until he was in school. During that time I ran a state registered home daycare. In 2011 I started back in school and received my Associates degree in Allied Health Sciences and then went on to become a certified Medical Assistant. I worked in the Newton Clinic for many of the doctors and decided I wanted to learn more so I returned to nursing school in 2017 to get my RN. After I graduated I worked for Baxter Nursing home but was frustrated with only passing medications and not having time to spend with the residents. I left there and joined the family at Iowa River Hospice; I loved working there but had a lot of personal loss and needed a position where I could get to spend more than a few weeks to a few months with the people I cared for so when I heard there was an opening at Glenwood Place I came in and talked to Pam.

Valentine's Day Recap

Valentine's Day Recap

Valentine's Day at Glenwood Place is something we celebration big, not just for our couples but because we want everyone who lives at Glenwood Place to feel loved and special on this day. A special Italian-style, 3 course lunch was served to over 145 residents and guests. Serenades were provided by Marshalltown Men's Quartet, and the King and Queen were crowned!
