Don't Weep For Me

Don't weep for me
For I've made it home
Through Heavens gates
There I may roam.

Wipe your tears
And dry your eyes
I'm in a better place
With Heaven as my prize.

Don't weep for me
No tears and no sorrow
Live life for Jesus
He promises tomorrow

Congratulations, Seniors!

The Scholastic Banquet honor students in the top 5% of their graduating class from the Marshall County High Schools.

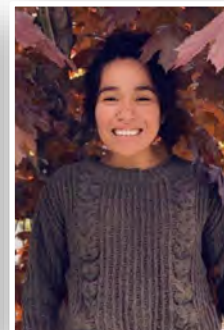

Three of our staff were included in the top 5% from Marshalltown High School. Congratulation to Madi, Erica and Ani! We are so proud of your scholastic accomplishments, and wish you well in the future!

Pamela's Post

July 2020 — 110 days.

We are excited to let you know that starting July 1st we will be entering Stage 2 at Glenwood Place. What does that mean? A little more freedom — read on!

Stage 2

Continue all Stage 1 Guidelines except:

Community Access

Activities

- No outside vendors/volunteers for activities
- No outside activities without staff to ensure social distancing
- Small Group Activities with no more than 10 participants, 2 times per week
- Social distancing of at least 6-8 feet
- All residents will wear masks whenever outside of apartments.

Transportation

Community provided transportation for medical purposes only, and only 1 resident per trip. Sanitizing between residents' trips will be completed.

Dining

- All tables should be spaced 6-8 feet apart
May stop using paper/Styrofoam tableware for meals
- No more than 1-2 residents per table determined by size of the table
Staggering of meals to accommodate decreased occupancy in dining area
Disinfecting tables and chairs in between residents is completed.

My highest priority and goal will continue to be maintaining the safety of my residents and staff. I truly appreciate your diligence to the protocols that have been very fluid over the past 3 months and recognize the increased stress level you are all experiencing during this Pandemic. We will continue to follow the current protocols that are in place. These protocols are based on the CDC, State and County Health Department recommendations.

Again, thank you for your continued support.

Brooke's Post

Glenwood Place hosted our 3rd Annual Cruise for a Cause event on Thursday, This year's event was hosted a bit differently due to the pandemic, however we still had our best year yet. The event was proposed as a drive-thru, and all participants respected our requests to maintain proper social distancing by staying in their cars or visiting from afar and wearing masks. The turnout of classic cars and Marshalltown community members was more than we could have ever expected! 25 classic cars rolling into the parking lot, and 100+ guests and residents made donations to help us raise over \$2100! The main objective of the event were two things: 1. to raise money for the Alzheimer's Association to be directed to our Walk for a Cure event in Oct. 2020 and 2. to have a fun evening for our residents seeing cars they grew up riding in. Both goals achieved! Live radio station, KDAO, was on location to help us promote the event. A special thanks to Beth Murphy from the Marshalltown Classic Car Club for helping us rally together all the cars. Thank you to all the friends and families of Glenwood Place who came out to support our Fight against Alzheimer's!

Loren Vogt was born in Van Cleave, IA, and spent majority of his life there. He grew up on the family farm with two brothers. His childhood involved chores on the farm, and he enjoyed participating in 4H, baseball and basketball. Loren and his wife met while in school together. After high school, Loren served in the Army. He was stationed in Uijeongbu for 16 months. While there he tired out for the Regimental Baseball team and was one of the only two players that were picked to play on the team that were not professional baseball players. And he played before those professional players too! After returning from service he and his wife, Sharon, took over her family home and farm. Together they raised two children, Noel (Renae) Vogt and Holly (Randy) Ritland. Loren has six grandchildren and seven great grandchildren. His son, Noel continues to operate the Vogt family farm in Van Cleave. Loren can often be found working on a puzzle in the Gathering Room with buddy, Jim. Say hello to Loren next time you see him!

Frieda's 100th Birthday Celebration

A car parade and card shower was hosted by Glenwood Place for Frieda's 100th birthday. She received over 100 cards!

Diana's Birthday Car Parade

Diana's family surprised her with a car parade and gifts for her 90th birthday!

Norma's Birthday Surprise

Norma's family surprised her with a car parade and birthday gifts for her 92nd.

Something Funny — "Have a Nice Day!"

A senior citizen in Florida bought a brand new Mercedes convertible. He took off down the road, flooring it to 80 mph and enjoying the wind blowing through what little hair he had left on his head.

"This is great," he thought as he roared on down I-75. He pushed the pedal to the metal even more. Then he looked in the rear view trooper behind him, blue lights flashing and siren blaring.

"I can get away from him with no problem," thought the man and he tromped on it some more, and flew down the road at over 100 mph. Then 110, 120 mph. Then he thought, "What am I doing? I'm too old for this kind of thing."

He pulled over to the side of the road and waited for the trooper to catch up with him. The trooper pulled in behind the Mercedes, and walked up to the man.

"Sir," he said, looking at his watch. My shift ends in 30 minutes and today is Friday. If you can give me any reason why you were speeding that I've never heard before, I'll let you go."

The man looked at the trooper and said, "Years ago my wife ran off with a Florida State trooper, and I thought you were bringing her back."
