Grandmother and Granddaughter Bring Joy to the Neighborhood

As the weather gets cooler, walks through the neighborhood are once again becoming a popular pastime. If you're the resident of a certain New York state street, however, you may have noticed something special during your afternoon stroll.

Recently, a grandmother named Carol and her granddaughter decided to put their creative skills to the ultimate test: by creating a miniature neighborhood of their own. The result was a complete "Fairy House Garden Tour", where community members can follow a trail of mini homes, decoratives, and items created for any magical guest that chooses to come by. "We love to use things that can be recycled, and other found objects, like old buttons," Carol commented. "We especially enjoy making the pathways. We just use plaster from the hardware store and inset all types of things from pebbles to glitter and plastic jewels."

One particular stop along the tour, "Bean's Pod", contains a decorative waterfall, as well as a small wooden door for any visiting guests. According to the granddaughter, it's the perfect spot for anyone looking to relax – even for those looking to get into mischief. "The fairies can sit by the waterfall and sneak into my grandma's garden to steal fresh raspberries. They can also play tic tac bug!"

Even for those not planning on taking raspberries, it's a serene spot to behold – and a beautiful testament to what a loving family can accomplish.
