### What Makes Us Smile?

Friendship, gardening, babies, and dancing are just a few things that makes us smile! What about you, what makes you smile?

## Kickoff!

We were ready for this year's football season to start! Residents and staff sported their Browns shirts for game #1. With sweet and salty snacks, we cheered our Browns on to their first victory of the season! Go, Browns!

*Denny is ready for the game to start!*

## Guacamole and Yahtzee

Thank you Chef Matt for an AMAZING snack! Guacamole, salsa, cheese dip, with Fritos and corn chips, yummy! After enjoying our amazing snack, it was game on: Chef Matt's team, the Screeching Penguins vs. Sherry, our Activity Coordinator's team, the Growling Bears. Everyone was playing to win! With competitive spirits aside, we all agreed we had a wonderful afternoon with friends!

*Roll BIG Mary Lou!*

## Fresh Autumn Air

There aren't many more warm sunny days left in Ohio, as winter is just around the corner. We are taking advantage of every warm day we can to soak up the warm sun and the smell of the autumn air. Even if we curl up in a blanket with a hot cup of coffee, we are enjoying autumn!

## Enjoying Autumn

Every year, our Maintenance Manager Jim decorates the entrance with beautiful mums, pumpkins, corn stalks and bales of hay. This year we took advantage of our beautiful entrance and spent the afternoon having a photo opp with our residents. The day was fresh and beautiful with autumn colors in full bloom!

*Jean was full of giggles.*

*Willadean striking a pose*

*Bob looking handsome*

*Bob & Michael having a little fun in between pictures*

*Mary Lou posing beautifully*

*Louise sitting so pretty among the mums*

## A Scenic Drive

Beautiful white swans fluffing their feathers, geese chasing each other while being playful, squirrels running from tree to tree, people walking around the pond holding hands and sharing conversation, and mothers pushing their babies in a stroller soaking up the beautiful autumn day — these were just a few things we noticed while driving around Lake Anna Park looking at all the beautiful mums at the Mum Festival. Though we weren't able to walk around the park, we still had great joy in looking out the window of our bus at all the beauty of the day. Thanks to some helpful staff members from the Mum Festival, we were able to buy some mums of our own to bring home to plant and enjoy!

*Bob gives our mums a thumb's up!*

*Wynne enjoying the beautiful mums*

## Thank You to Our First Responders

Staff and residents at Mulberry Gardens Memory Care wanted to do something to express our gratitude for our Munroe Falls Fire and EMS Department. So, staff and residents teamed up and made a wreath to show them how grateful we are for their dedication to the community of Munroe Falls, but also to our community of residents here at Mulberry Gardens! When called, these men come to the rescue! They are kind, loving and patient with our residents. These men take the time to care for and know our residents; so much so, that our residents see them as a friend when they do come into our community! We consider them a blessing to our community! Thank you so very much Chef Lee and your amazing team!

*Thank you to an amazing team!*

*Jo making sure her ribbons are perfect*

*Joann fluffing her ribbons*

## A Special Visit

Thank you, Cathy and Sadie for coming to visit us! Sadie is quickly becoming our new best friend! She is gentle, loves when we pet her and best of all, she loves us! We can't wait to see you again, Cathy and Sadie!

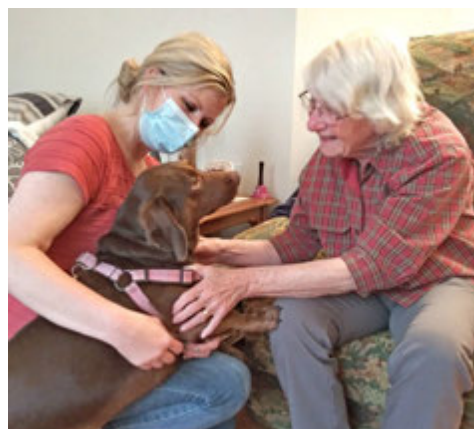

*Anne & Sadie getting to know each other*

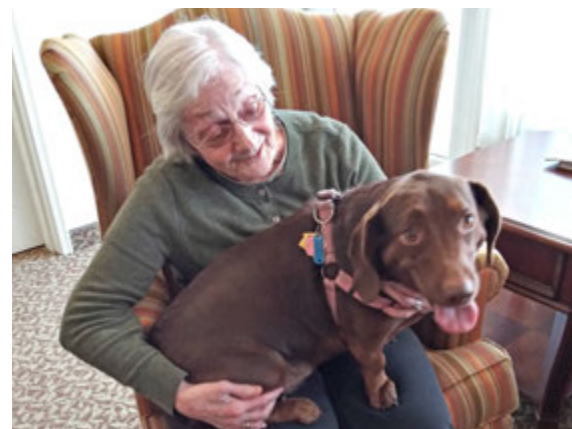

*Willadean sweet talking Sadie*

*Sadie makes us smile!*

*Joann receives a special visit.*

*Louise has found a new best friend!*
