## The History & Significance of Veterans Day

With great gratitude, on November 11th, U.S. citizens will honor those who have bravely served our country on what is known as Veterans Day.

The day is a U.S. holiday that honors veterans of all wars. Its history has not been without changes, though!

In 1918, during World War I, on the 11th hour of the 11th day of the 11th month, hostilities ended between the Allied nations and Germany—on “Armistice Day.” The Treaty of Versailles, which marked the end of the war, was signed on June 28, 1919, but the armistice date was the one most people considered the conflict’s end.

In November of 1919, Armistice Day was observed by many countries with parades, public celebrations, and pauses to business and school activities at 11 am.

Then, in June of 1926, Congress passed a resolution saying November 11 should be commemorated yearly. As of May 13,

1938, Armistice Day was a legal Federal holiday. Changes would still occur though.

During World War II, more than 16 million Americans served in the Army, Air Force, Marines, and Navy.

Another 5.7 million served in the Korean War. Thus, Veteran’s service organizations lobbied for the words “Veterans Day” to replace Armistice Day in honor of the American veterans of *all* wars. In 1954, President Dwight D. Eisenhower signed legislation for the name to be changed.

The day would still see some changes!

As of 1971, Veterans Day was moved to the fourth Monday in October when Congress passed a Uniform Holidays Bill to make Monday “the” day for federal holidays. But in 1978, due to many states’ confusion and disapproval over the change, the holiday was moved back to its original observance date.

Since then, Veterans Day continues to be observed on November 11th. That day, and throughout the year, we thank all who have served for our great nation.

**What is the difference between Veterans Day and Memorial Day?** Memorial Day, in May, is dedicated to Americans who have served and who passed away during (or as a result of) serving. Veterans Day honors all Veterans, alive and who have passed.

## World Tour, Romania

We started our tour by making Romanian Fruit Coffee Cake! We used fresh raspberries, blueberries, blackberries, and strawberries. The tangy fruit balanced out the sweet cake. In Romania they serve this dessert on various holidays. We tried it with a little whipped cream which was very tasty.

Clay pottery is very popular in Romania and it is not uncommon for families to make their own bowls, water jugs, and pots for planting.

Using IN2L, we explored Romania. Some of the interesting facts we learned: Romania is a southeastern European country known for the forested region of Transylvania, ringed by the Carpathian Mountains. Its preserved medieval towns include Sighișoara, and there are many fortified churches and castles, notably cliff-top Bran Castle, long associated with the Dracula legend. Bucharest, the country's capital, is the site of the gigantic, Communist-era Palatul Parlamentului government building.

One of the cocktails they enjoy is the White Romanian. We had a sample of it during our cocktail hour. It is similar to a White Russian, however you add a little banana liquor.

On Friday, wrapping up our world tour, we cooked Chiftele (meatballs). An interesting fact about cooking using a Romanian recipe: many will call for a "ground meat" because they use many different animals in their cooking such as rabbit, squirrel, deer, and other wild animals. We boiled gnocchi and made a béchamel sauce to go with the chiftele; it made a very good meal.
