Success Stories...

Words cannot express the gratitude to all the staff of Heritage Hill for the absolute wonderful care you gave my Dad, from nursing to dietary, to housekeeping, maintenance, activities, laundry and admissions. It's probably a lot more calm now without my Dad, but I hope not too boring without him. I wish you all had the chance to have known him before his illnesses, he was even more of a "hoot" and "flirt" back then. To all those who gave up their time to sit with him all those hours, thank you!! I will always remember your kindness & love.

Q & A

Q: Is housekeeping included in the price of accommodations?

A: Yes, housekeeping, linen and laundry services are available from 7-3:30 p.m. daily. All items of clothing must be labeled and inventoried prior to placement in a residents room.

October Resident of the Month
Kathryn Nester

Heritage Hill Senior Community is pleased to announce that Kathryn Nester has been named as Resident of the Month for October.

Kathryn Dougherty Nester was born on June 12th, 1936 to Bernadette and Gerald Dougherty. She was the oldest of three girls.

She later married Walter Nester of Tamaqua and they lived with their daughter Kira in Tuscarora, Pa.

She was a hairstylist and did factory work. Her favorite thing to do was cook for her family. She is very crafty and enjoys doing projects such as sewing. She likes to take care of people and help in any way she can.

Employee Chat...with April

In April 2010 we added a very caring person to our Nursing department here at Heritage Hill. Her name is April. She was born on February 19, 1990 in Palmerton, Pa. and has two other sisters. April grew up in Weatherly, attending Weatherly Area High School and graduated in 2008. She followed her passion for helping others and making them feel better by attending nursing school at Penn State University, Hazleton, Pa and graduated in 2017 as an LPN. April has 2 children Alexis who is 7 and Mason who is 6. She enjoys going to the beach, especially Wildwood and camping in the summer with her kids. Halloween is her absolute favorite time of year and she is a BIG Disney fanatic so visiting Disney World in October is the most exciting vacation for her and her kiddos. When asked what her favorite part of her job is, she shared; "It is making the residents feel better because they are my second family." We encourage you, next time you see April reach out and ask her to share some of her stories with you about her Disney adventures.

Some Interesting Things about April..

Her Favorite color is **PURPLE**

Favorite Movie is "A league of their Own"

Favorite Food is Tacos

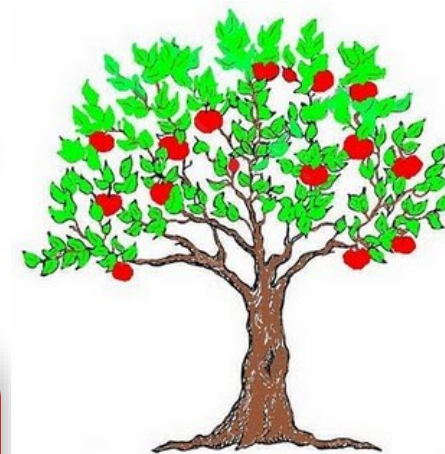

Would love to travel to Germany

Shepherd's Garden Memory Care Corner

A Look Back in September...

September was apple month in our Shepherd's Garden. Our baking consisted of delicious apple treats such as cupcakes and bread. To keep with the theme our art projects were apple decorations. During this month we celebrated our friends Mary, Natalie, and Harold with cupcakes for their birthdays. We really started getting into the fall season while decorating our community. Along with our themed activities we continued with our regularly scheduled activities such as bowling, trivia and exercising. September was a great month!!
