Mums Say So Much

The traditional flower for the month of November, the chrysanthemum is believed to represent happiness and longevity. Because mums typically bloom in the fall, they also symbolize beauty in the face of the coming winter.

'Thank You for Being a Friend'

Artist Andrew Gold said it only took him about an hour to write this bouncy pop song, "Thank You For Being a Friend." Gold released the single in 1978, but it got more air time several years later as the theme song for the popular TV sitcom "The Golden Girls."

FRIENDLY REMINDER

Just a friendly reminder: if you plan on taking your loved one out for Thanksgiving please let the facility know; that way we can have any medications they may need ready for them.

Expressing Thanks

"Appreciation can change a day, even change a life. Your willingness to put it into words is all that is necessary." —Margaret Cousins
