## RESIDENT OF THE MONTH

Jim was happily married to Jeanne for thirty years. They have two sons, they raised horses, while Jeanne worked in the medical field. Jim happily retired from Rockwell Collins after twenty-five years. Jim is a Steak & Potato kind of guy with a passion for classic cars, Harley Davidson motorcycles, camping and traveling. Jim's favorite vacation was when his wife convinced him to go parasailing and he was afraid of heights. His favorite memory of his mother in law was when she showed her favorite horse, Red at the fair. Jim is also a Veteran. Thank you for your service Jim and thank you for being a wonderful resident in our community.

Wow I can't believe it is already December, what a year 2020 has been. Although this year is a little different, I am still very excited about the holidays and spending time with Family. My kids have already made their list and I have started shopping. Things have been crazy around here lately with virtual learning and youth sports being canceled. My kids have enjoyed spending more time at home and playing with our newest family member Rambo. I have also enjoyed the slower pace evenings and not having to be on the go as much. We are looking forward to the new year and can't wait to see what it brings for our family.

We are continuing to monitor the county percentage of cases and will keep all families up to date with any new rules or regulations we will be following. We have also started a weekly zoom meeting for families to get more information to you all, please make sure and see your email for the invite. If you haven't received an invite, please send your email to Josie via text 319-440-4673 or email [assistantadmin@corridorcrossingplace.com](mailto:assistantadmin@corridorcrossingplace.com). If you are not signed up for ACH and would like to do so, please contact Josie as well for a form. Building maintenance continues following the storm in August and will hopefully be finished up this coming Spring. Once again, we want to thank you for choosing us to care for your loved ones, please call us anytime with any questions you may have. We hope you have a safe and healthy Holiday season. We will see you next year!

Warm Regards,  
Josie Doudney
