## A Message from Santa!

Santa has placed a mailbox at the Riverwoods North Pole and here is his request: "All Residents, I would love for you to write down 1 Christmas Wish and include your name. I cannot make wishes come true that involves your seeing family, but I will try hard with the help of Mrs. Clause and the Reindeers to make your wish come true. Please think hard, is there 1 little wish you would like seen granted? Or do you have a little wish for a friend, staff, or other resident? In this crazy world of COVID that I cannot fix, I would like very much to help make your Christmas special. Put your note in my mailbox and Merry Christmas to all!"

## Pastoral Ponderings with Pastor David

I make no apologies. What happened on December 25<sup>th</sup> makes me “preachy” beyond that Black Friday Wal-Mart bargain. God is trying to bring us back to Him.

Noah tried, but humans just can’t keep from sinning. So, God tried again, this time in a stable. There isn’t anyone who doesn’t need a heaping helping of forgiveness, and He gave it to us. You may try to skip these words, but just add it to your Forgiveness List.

Unlike Santa, God doesn’t keep a list. It’s a good thing, too, because, if he did, everyone would be getting coal in their stockings. It’s a good thing we don’t get what we deserve. God loves us more than that!

We have already digested our Thanksgiving Dinner and are looking forward to another full plate. (Isn’t it great to live in the U.S.A.)? But there is something even better that sur-rounds us. God is in a forgiving mood. All we need to do is say “Thanks” and let the love in. It would be a shame not to.

This year, change the future and give in. Turning the calendar to 2021 is like turning to a blank page for the New Year. **BREAKING NEWS! God Loves You!** Looking forward to seeing you in the New Year.

Blessings,

**David**

## Staff Spotlight

Each month we will be shining the spotlight on one of our fantastic Team Members. They will all be asked the same questions:

1. Why did you choose your career path?
2. What is your favorite part about working at Riverwoods?
3. Where do you live?
4. What do you like to do in your spare time?
5. What is your favorite Snack Food?

Name: **Natalie O'Neal**

Position: RA

Spotlight: Meet Natalie.

Natalie says that she chose her career path because she enjoys helping people and getting to know them on an **individual basis**. “It’s so rewarding,” says

**Natalie. The residents and her coworkers are Natalie’s favorite part about** working at Riverwoods.

Natalie lives in Beaverdale. In her spare time, Natalie enjoys spending time outside in nature, **listening to music and “hanging” with her family.**

**Natalie’s favorite Snack Foods include:** Trolli gummy worms, Hot Fudge and Bubble Tea.

Be sure to say Hi to Natalie when you see her.
