Our welcoming community offers everything you need to pursue what you enjoy most. As one of our residents, you will find opportunities to enhance life including: wellness and spiritual learning, concerts, movies, book clubs as well as rewarding intergenerational programming. We support your well-being with a continuum of independence, allowing you to add personal and health services, if necessary, to ensure all your needs are met.

**SENIOR APARTMENTS:** Private charming rental apartments for independent older adults without the worries of household maintenance, landscaping or security issues. Apartments furnished with a full kitchen and amenities to suit your lifestyle.

**ASSISTED LIVING:** Beautiful apartments and individualized care plans for residents who need extra assistance in daily activities and support services. Meals, housekeeping, laundry and maintenance are included, as well as personalized care that recognizes a person's individuality and honors dignity.

**MEMORY CARE:** Private memory care studios and one bedroom apartments specially designed for those living with Alzheimer's disease, dementia and other forms of memory loss. Staff members are trained and educated in the most up-to-date memory care practices. They provide residents with comfort, tranquility and a sense of familiarity.

**ENHANCED CARE:** A lovely alternative to nursing home care for those needing higher levels of assisted living and personal care. Deephaven Woods provides seniors with a variety of therapies, plus a private suite complete with kitchenette.

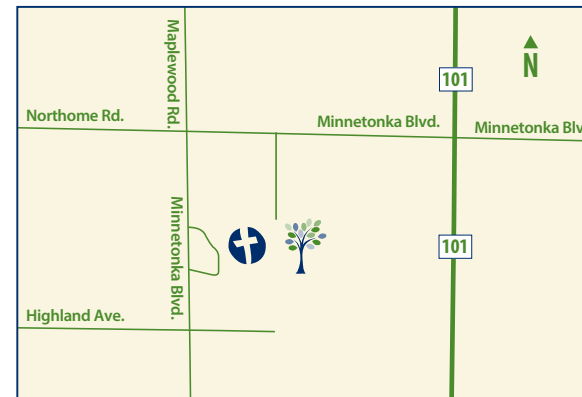

**STAY BY THE DAY:** Short term options to help ease the transition back into daily life after an illness, hospital stay or surgery within a furnished apartment. This can also be a great option to provide caregivers with a much needed break.

I was sitting on the screened-in porch and I thought to myself, this is why I'm here. I love that I can watch kids playing on the playground, I love that I can see people ride by on their bikes, I love that I can walk and be in nature, and I love that Deephaven Woods doesn't just allow dogs, they welcome dogs!

– Ann S., Resident

It is with sincere gratitude that we thank you for all you did to give our mom the best possible life these past 2 ½ years. You treated her with such tenderness and loving care allowing her to maintain her dignity up to her final days. You are all truly angels on earth! Thank you from the bottom of our hearts!
