The Atrium is excited to start a fresh new year. Through the twists and turns of 2020, we have learned lessons, lost loved ones, and let new friends in.

Our community is ever evolving and we are ready for the next chapter this new year has in store. **January 2021**

Happy Birthday To

Lonna Jan 23

Each month, our residents ring in a new year and we can't help but celebrate with them! Our celebrities wake up to a decorated door, a specialty snack, and a gathering of their friends. We enjoy making our residents feel amazing on their day!

#### Life Enrichment Coordinator-Terese Voll

Residents enjoyed making Christmas decorations for our staff and residents Christmas party. They strung single pieces of colored paper together to make a beautiful chain of garland.

Our staff selected a resident and bought a specialized gift. Everyone should open something special on Christmas morning!

2020 was definitely a year to remember. We made new friends, lost loved ones, and tried our hardest to make the best of a global pandemic.
We enjoyed weekly dance parties, Friday Floats, and daily activities.
Our time together was spent with love and laughter that we intend on keeping throughout 2021.
The new year will bring more friends, new surprises, and hopefully we will be able to spend lost time with our

families.

#### **Resident Spotlight: Meet Linda**

Linda is an amazing addition to our community. She has 3 wonderful children whom she speaks of often.

Linda's favorite season is summer. Linda enjoyed going camping with her son, Matt. "Matt would find the best places to visit. He never worried about a schedule, Matt made sure we had a great time.

Linda's favorite activity is walking. She is an avid member of our daily walkers club.

We are thankful to have Linda as a member of our community.

#### **Staff Spotlight: Meet Ana!**

Ana has been bringing joy to our residents since Dec 2019 and has enjoyed every moment of her time at The Atrium. "I enjoy seeing the residents and staff. Everyone had great vibes. It makes you want to stand up in the morning and see them."

When Ana is not working, she enjoys rollerblading, a scoop of rainbow sherbet, and learning more about her culture. Ana is from Ecuador and often shares her culture's traditional dishes with her coworkers.

Ana is an amazing addition to The Atrium and we are proud to call her our own!
