Volunteer News

Park Terrace is always looking for volunteers! We are happy to welcome family members, friends and the community to volunteer your time and talents with our residents. Not only do our residents benefit, but our volunteers find they do as well! Please contact our Life Enrichment Director Susan English Crider for further details and ideas for volunteer opportunities.

11-year-old Shows Her Gratitude for Veterans, Healthcare Workers

Words of encouragement always go a long way – especially when they're written by Callie. As an 11-year-old resident of Morris Township New Jersey, Callie Danysh has been hard at work celebrating her local heroes by honoring them with 'Flags of Gratitude'.

Painted entirely by Callie, each 'Flag of Gratitude' seeks to honor the selflessness of New Jersey's essential workers. Many businesses and organizations across Morristown, Morris Planes, and Morris Township have received at least one of Callie's 2,000 created flags, and have had their days brightened with special messages dedicated to their service.

With no plans to stop creating, Callie is now using her paintings to help raise money for those in need. In July of

2020, the young artist raised \$1,000 for HelpMorrisNow, an organization dedicated to providing food and clothing to members of the Morris community.

"It makes me feel good because I enjoy spreading kindness to people," Callie commented.

Now, Callie has her sights set on helping other local groups such as Good Grief and Hubert's Animal

Welfare. Thank you Callie for showing us that sharpies, paint pens, and a heart of gold are all that you need to make a difference!
