Happy New Year!!!

I think it is safe to say we are all looking forward to the New Year. Although, we have had many challenges this year, we still are very thankful for all the good times, and special moments we shared at our Waltonwood community. Our Residents are the best, they have handled the many changes with positive attitudes and patience. So, this year we toast to our incredible residents, and we look forward to a New Year filled with health, hope, humor, and happiness.

Sincerely,
Jennifer Murray

MULTIDIMENSIONAL WELLNESS AT WALTONWOOD

Moving Forward

Finally! January is here, 2020 is over and 2021 has arrived ready to offer a new sense of hope. Last year was tough, maybe even the hardest year of our lives. We lost so many traditions, milestones and celebrations to a circumstance far beyond our control. It would be so easy to look back and dwell on what could have been wondering what if? While you have every right to reflect on the past twelve months, I encourage you to shift your hopes to the next twelve to come. Take this opportunity to embrace the progress we've made and know this progress puts us one step closer to the way things used to be. There's no doubt the road ahead will still be bumpy but step into the new year with the hope and conviction that 2021 will truly be a healthy, happy new year!

"It's amazing how a little tomorrow can make up for a whole lot of yesterday."
